Organized May 15, 1890

Gentlemen,

I was unable to attend the Spring Leadership meeting due to work commitments. However, summary notes were provided to me by National, of which I include highlights below.

- The SAR Education Center and Museum Project is progressing, with the Ad Hoc Committee working closely with Solid Light. Some of the proposed exhibits are To the New World, Green Dragon Tavern, War Begins, Washington's Army, Siege of Boston, France Enters the War, Yorktown, and the Young Republic.
- Fundraising for Phase 2, Step 3 continues, which requires \$780,000. The SAR Foundation is working to raise these funds, and all members are encouraged to consider a monthly donation.
- There is progress on the new Member Database. Currently the SAR has three separate databases, which Mission Data is working to transform into one unified system. It is in development stage, but they are making progress. In conjunction with this, Mission Data is also working on developing a new website for the SAR.

As Chairman of the State Poster Contest, I am pleased to report that as of this writing, which is a few days prior to our meeting, it appears we will have a robust Poster Contest.

Finally, I want to remind everyone that Congress this year will be in Costa Mesa, California, from July 05<sup>th</sup>, 2019 to July 10, 2019. Additional information about Congress can be found at: <https://sar.org/annual-sar-congress>

As always, if you have any questions or concerns, please do not hesitate to contact me.

In patriotic service,

Tony L. "Bo" Vets II  
Trustee, National Society SAR

## Summary Notes of 2019 Spring Trustees Meeting- PG Alter

It was suggested that I do a brief summary of the important details from the Trustees Meeting March 2, 2019 so that the Trustees, State Presidents and others who attended would be certain to share and discuss those items further with their Districts, States, and Chapters. Here it is:

- **SAR Education Center and Museum Project: Summary of status by Solid Light given by Ad Hoc Committee Chairman William Stone. Discussion of progress Solid Light is making on Phase 2, Step 2 Design Development. The committee is working closely with Solid Light and monitoring the project carefully. One of the changes made already is to move the projected location of the SAR Retail Space so that the traffic flow will go through it entering or leaving the area. The committee has coordinated with them on the makeup of the proposed exhibit matrix which includes:**

- Fund Raising for Phase 2, Step 3 continues. As you know, Phase 2, Step 2 was approved at Fall Trustees meeting when we announced we had raised in excess of the \$550,000 required for that portion. We are now on our way to raising the funds for Phase 2, Step 3 which will require \$780,000. The SAR Foundation is working to raise these funds. All members are encouraged to consider a donation to the SAR Education Center and Museum (easy to do through Foundations new monthly donation program)
- New Member Database program progress through Mission Data (project approved at Fall Leadership Meeting 2018). The IT Subcommittee, Chaired by PG J. Michael Tomme 2016-2017 reports the company is making tremendous progress. They are transforming our current member databases (three separate systems) into one unified system. Once transformed, it will be tested thoroughly with various size chapters and states before being brought out for general use. It is still in the development stage.

- New Website RFP awarded to Mission Data. A second IT Subcommittee, with recommendation from ExCom recommended approval of between \$78,500 - \$83,500 for the development of a responsive WordPress website for SAR. Budget presented information on where the funding would come from, and that funds were available. Trustees approved the project. PG J. Michael Tomme is coordinating this project also to be sure the two projects proceed without delays. Mission Data is allocating a general manager, but separate teams to develop the two.
- PCI Membership Directory and updated member database info project. The cards and emails sent to members are resulting in many members calling and confirming/updating their information for our database and for the Member Directory. The Member Directory, being sold by PCI is optional and members who don't want one, simply may say no to the offers. Additionally, although the directories are only for sale to members or their families, if a member does not wish his information to be published, he may notify the company that he does not want his information published. This is at least the fourth such membership directory project SAR has done, with new books developed and published every four-five years. The most recent stats (received after Leadership 3/7- a summary of previous report was given at Leadership)
  - Summary to date 3/7/19 there have been 17,675 respondents
  - 3,100 members purchased one of the directory options.

- Change in Quorum Requirements: Based on issues of Committees at Leadership and Congress not having enough committee members present to necessarily represent a quorum, Parliamentarian Dr. Randy Moody proposed a change to the ExCom who presented it for approval by the Trustees. The Trustees approved the motion which stated:  
Insert into Handbook, Volume II, p. 7:

Except for the Executive Committee, standing committees and special committees established by the bylaws, a quorum for meetings during Congress or Leadership Meetings shall be a majority of the committee members registered for the Congress or Leadership Meeting; a quorum for these committees meeting between Congress and Leadership Meetings shall be 1/3 (one-third) of the appointed committee members.

Please be certain to share the above information with as many of your members as possible so that they are aware of what we are doing at a National Level.

If you have any deaths or have anyone that is NOT listed then they are NOT members of your chapter or the Louisiana SAR.

At our Fall meeting, I will again give you a list of current members. As you know, Article II, Section 12 of our bylaws states:

The annual dues shall be payable in advance for the fiscal year promptly upon billing by the Society. Chapters shall collect Chapter dues, Louisiana Society dues and National Society dues and shall forward Louisiana Society and National Society dues to the Secretary. A member of the Society who is not affiliated with a chapter, shall forward Louisiana Society and National Society dues to the Secretary. All Louisiana Society and National Society dues shall be received by the Secretary by December 1. Any member whose Louisiana Society and National Society dues have not been received by December 1 shall be dropped from the rolls of the Louisiana Society and, upon the Society's report to the National Society, dropped from the rolls of the National Society, subject to reinstatement. All National Society dues shall accompany the Annual Report to the National Society.

Gentlemen, I urge you to begin collecting your chapters dues no later than your October meeting. I hope to have your initial report by the December 1<sup>st</sup> deadline. Anyone who pays during December will not be dropped and can be added to the reconciliation. I will close our books on January 1<sup>st</sup> and will report numbers as of that day.

Finally, I ask that when you have a change in office that in addition to sending the electronic notice to national (the form is found on [www.sar.org](http://www.sar.org)) you send me notice as well, especially President and Secretary. This way I can ensure that your new member certificates are delivered correctly and that our website is kept current. Name, address, phone and email address please.

## Treasurer State Board Meeting Report for the Quarter Ending 3/31/2019

### Financial Condition of the State Society

The Society is in strong financial condition overall.

#### Balance Sheet

Cash account balance at 3/31/2019 is right at \$45.5k, up from the 12/31/2018 balance which was right around \$39.7k. The only liabilities of LASSAR include the life memberships still being carried and amortized at an annual rate. However, those liabilities only represent right at \$1.6k in total leaving us about \$44k cash free and clear. Note that this balance will be cut down as dues for all chapters have been received for the year, but we have yet to incur the bulk of our expenses for the year. My guess is that cash balance will be back around \$39k at year-end.

#### Income Statement

The revenue lines are self-explanatory. All chapter dues have been received and deposited.

The only expenses incurred so far are a few hundred dollars in administrative reimbursements and medal expenses. We expect the bulk of our operating expenses to clear between now and the fall board meeting (youth programs, travel for oration, etc).

#### 2019 Budget

The treasurer has included the 2019 budget alongside the income statement for comparison. Note that all revenue for the year has been recorded with the exception of any fees received for applications and supplementals or any money received from the ladies auxiliary or DAR. Of course, we still have most of our expenses to go for the year as you can see by comparison.

#### LASSAR Investment Committee

The creation of an investment committee was approved at the September board meeting, however, no official action has been taken in appointing the committee. I am hopeful the committee will be appointed by the president by the middle of 2019 with the goal of the committee establishing policies & procedures to be approved at the fall State Board meeting of 2019, along with beginning to invest excess funds by the beginning of 2020. The treasurer is hopeful that by modestly investing organization excess cash balances, future state level dues increases created by inflation can be staved off to allow any dues increases to be at the chapter level.

#### Finance Committee Recommendations Regarding Increasing Contest Prizes and Marker Costs

After steady discourse following the January meeting, the finance committee proposes an authorization for \$1,000 to be spent per marker once the local chapters have raised all additional funds on a "first come first serve" basis up to 2 markers in total for fiscal 2019. We can then re-assess and see how we are doing financially to make sure we aren't emptying the coffers. Additionally, we propose that we up the prize money for each award by \$50 for the next year as a one-time only increase. We can also gauge the financial impact of this as well. Based on how this impacts our year-end bottom line, we can renew them the following year or make them permanent or rescind them going forward.

Dues

The Treasurer recommends no increase in State Society dues.

Respectfully submitted,

James Timothy Schneider, LASSAR Treasurer

We still have 3 prospective members who are to have help in gaining their full status.

To date from Jan 1, we have had no deaths or transfers.

We have had a new person step up to help with the ROTC contacts. One of the potential members Bo Shaw is stepping up to take this responsibility.

He was active in ROTC in his college days and sees the importance.

We are having excellent speakers but poor attendance. We are having attendance of 8-14.

We are trying having persons be responsible for speakers. We are having excellent speakers.

We will continue on.

Thanks King Scott

## Enemund Meullion Chapter Louisiana Society Sons of the American Revolution

6 April 2019

Beginning with January, the Enemund Meullion Chapter meets on the third Saturday of every other month, plus October (for Annual Wreath Laying ceremony at Enemund Meullion's gravesite in Historic Rapides Cemetery), at 11:30 AM at Forts Randolph and Buhlow State Historic Site on Riverfront St. in Pineville, Louisiana. The chapter currently has 64 Members – 55 Regular, 1 Life, and 8 Junior.

Prior to the January meeting, President Mike Sawrie introduced LASSAR President Ted Brode, who installed the 2019 Officers: Mike Sawrie, President; Gervais Compton, Vice President; Carlos Mayeux, Treasurer; Brent Morock, Secretary/Registrar; and Clyde Neck, Chaplain. He then discussed the State of the LASSAR, the April 5-6 LASSAR Annual Meeting in West Monroe, LA, and the Color Guard uniforms.

Dr. James Morock listed the recipients of Flag Certificates since the last meeting: Taboo Harley-Davidson (2018 recipient), DIS-TRAN Steel, and Financial Solutions Group. IBEW Local 576 still needs to be presented with its Certificate. Eagle Scout Austin Shelby will be our winner again in the Chapter Eagle Scout Scholarship.

Sawrie presented Judge Rae Swent, owner of Tyrone Plantation, with a Certificate of Appreciation for her contributions to the history of Bayou Rapides and with a Bronze Good Citizenship Medal and Certificate.

Sawrie presented James Irby with a Military Service Medal and Certificate.

Sawrie presented Lexie Walker with a Certificate of Appreciation for her outstanding work in the Creative Arts at the Fox Theater in Marksville, LA.

At the March meeting, President Mike Sawrie introduced Rapides Parish Sheriff William Earl Hilton, who talked about the opioid epidemic. Hilton received a Certificate of Appreciation and a LASSAR mug for his presentation.

Bo and Jackson Vets presented Jackson's entry for the Americanism Poster Contest.

Dr. John Eubanks and his son Jonathan were inducted into the Enemund Meullion Chapter by Sawrie, who presented them with their Rosettes and new member packets. Their Patriot Ancestor, Samuel Taylor, Sr., served as Captain of the Sixth South Carolina Militia Regiment in March of 1776.

Dr. James Morock gave a brief biography of Dale Genius before Sawrie called up Claris, Dale's widow, to accept the Bronze Good Citizenship Medal and Certificate on Dale's behalf. Genius also received a Certificate of Appreciation for his contribution to the history of Central Louisiana.

Austin Shelby is our Chapter Winner for the Eagle Scout Scholarship. He received an Oak Leaf cluster for his Eagle Scout Medal from last year, a \$50 check, and a certificate. He then read his essay on the HMS Jersey Prison Ship.

Eric Irby discussed a future grave marking of his Patriot Ancestor Shadrack McClendon buried in Summerville Cemetery in Summerville, LA. Bo and Tony Vets will be asked to help with the program for a ceremony that could occur in October.

LASSAR Ladies Auxiliary President Cheryl Morock asked for donations for the Annual LASSAR Auction. Glen Armand generously donated a table.

Respectfully submitted,

Mike Sawrie

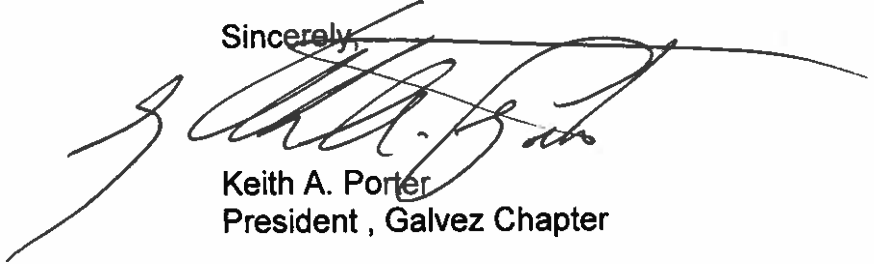

GALVEZ CHAPTER REPORT  
FOR  
LASSAR APRIL 2019 ANNUAL MEETIG

The Galvez Chapter continues to meet on the third Tuesday of each month at the Shreveport Club in downtown Shreveport, LA. Our speakers are generally from the local community, however, on occasion a Galvez Chapter member will be the speaker.

Although our monthly meetings are at the Shreveport Club, our January 2019 meeting was a field trip to the James Smith "Sonny" Noel Rare Book Collection housed on the campus of LSU – Shreveport. It was well attended and well received by Galvez Chapter members. We hope to take more field trips in the future.

The Galvez Chapter started 2019 with 55 active members and one dual member from Arkansas. The chapter has reinstated two members who were late in paying their 2019 dues and has submitted two new applications to the National Society. As to future growth, the chapter anticipates a reasonable increase in 2019.

Sincerely,

A handwritten signature in black ink, appearing to read 'Keith A. Porter', is written over a horizontal line. The signature is fluid and cursive, with a long horizontal stroke extending to the right.

REPORT  
LOUISIANA SOCIETY SONS OF  
THE AMERICAN REVOLUTION  
6 APRIL 2019  
WEST MONROE, LOUISIANA**

Unfortunately, I was unable to attend our last LASSAR meeting in January, but the George Washington Chapter was well-represented by Pat Hugg, Jim Schneider, Jerry Schroeder, and John Grout. In the meantime, our chapter has continued to grow (in spite of a large number of drops due to non-renewals at the end of last year). We are currently up to 109 members and are potentially poised to become the largest chapter in the state fairly soon.

In December, we held our chapter's Annual Meeting at Vacherie in the French Quarter with Lt. Gov. Billy Nungesser as the speaker (he was also our speaker in November 2015) and a record 40 in attendance. In January, we had a regular lunch meeting with 27 in attendance (another record -- for a monthly meeting) followed by the George Washington Birthday banquet which broke all records with 104 in attendance. Our March meeting was a regular lunch meeting with a new record of 30 in attendance. For April, we are hosting our annual Lexington & Concord banquet (to which you are all invited) but due to the anniversary of the battle falling on Good Friday have opted to postpone it until later in the month.

Part of the uptick in attendance is surely due to our new "regular" meeting place at the Southern Yacht Club (105 N Roadway St, New Orleans, LA 70124). First Vice President Pat Hugg is a member and has arranged all of our 2019 meetings there. We are planning to make it our permanent meeting place going forward, which is interesting, as one of our older members pointed out that it was our former regular meeting place several decades ago. However, in the months of June, July, and August we take a "Summer Recess" and only meet informally. For these meetings, we simply gather for lunch and will meet at Porter & Luke's Restaurant (1517 Metairie Rd, Metairie, LA 70005) on the second Wednesday of the month. In lieu of a speaker, First Vice-President Hugg has initiated a summer "Book Club" along with a chapter library. We've already received several fine books as donations, including a five-volume set of Douglas Southall Freeman's 1948 classic biography of George Washington.

**GEORGE WASHINGTON  
CHAPTER  
REPORT  
LOUISIANA SOCIETY SONS OF  
THE AMERICAN REVOLUTION

The amazing vitality of our chapter is surely due in part to a very active and healthy Officers' Corps, of which the current roster (sworn in at the annual meeting in December) is as follows:

President: Bradley Hayes  
First Vice-President: Patrick Hugg  
Second Vice-President: Michael Gonzales  
Secretary: James Schneider  
Treasurer: Rennie Culver  
Registrar: Gerald Schroeder  
Genealogist: John McNamara  
Historian: Larry Jones  
Chancellor/Chaplain: John Grout  
Color Sergeant: Tony Riddle

Last night, we had an "Officers Call" Executive Committee meeting, per our chapter by-laws. Those in attendance were:

1. Jim Schneider
2. Pat Hugg
3. Rennie Culver
4. Tony Riddle
5. Jerry Schroeder
6. John McNamara
7. Larry Jones
8. Bradley Hayes

As you can see, we had a nice turnout. The main topics we discussed were near and future term planning for the chapter. Another success has been the growth of the Ladies Auxiliary -- my wife Sarah is heading our chapter's and has recruited 7 new members this year.

**GEORGE WASHINGTON CHAPTER  
REPORT  
LOUISIANA SOCIETY SONS OF  
THE AMERICAN REVOLUTION  
6 APRIL 2019  
WEST MONROE, LOUISIANA**

The fiscal vitality of our chapter seems to be the most pressing issue for the future. Our awesome growth has outstripped our financial resources. Dr. Culver made a Treasurer's report which indicated we only had \$169 in the bank. We made an emergency contribution of the Executive Committee members there and were up to \$289 by the end of the night. We will be instituting some different methodologies to raise our bottom line over the course of the year. 1.) We plan to raise dues \$5.00 starting with the next annual membership renewal mailed out this Fall (which will bring chapter dues to \$65.00 total). We will also include an option to make a donation to the chapter on the renewal forms which are sent out. 2.) We are instituting a 50/50 drawing at future meetings. 3.) We are looking into promoting a "life membership option" for new members and renewals going forward, and 4.) We will start holding an annual fundraiser. The current plan is for a crawfish boil at my house sometime in May (other chapters are invited).

The one major project that was accomplished within the past year was the production of a George Washington chapter brochure. It will be used for both informational and recruiting purposes and contains a brief history of the chapter as well as a chronology of past presidents. First Vice-President Patrick Hugg headed the brochure committee and the final product was distributed at our annual meeting in December.

I am submitting this report on behalf of the Oliver Pollock Chapter of the SAR.

Approximately seven (7) months ago in an effort to re-energize the Oliver Pollock Chapter of the SAR, many phone calls and email were conducted to find out who may be interested in starting up meetings and conducting Oliver Pollock Chapter business once again.

Some showed some interest and others did not. A mass email was sent out in order to find out what would be a good time to meet and start the business of the Chapter. I received one email back from Mr. Steve Carnahan. He was the current Treasure at the time and we discussed the situation with the Oliver Pollock Chapter. Much of the conversation was about how many just did not have the time that was needed to put in to the Chapter. There was not enough active members in the Chapter to maintain or have a real impact on the mission statement of the SAR. Further in the discussion (and with some of the other members) I surprised that hardly any knew who Oliver Pollock was or what he had done during the Revolutionary War. I proposed the idea of renaming the Chapter to the Lake Charles Chapter of the SAR and this has had some favorable responses from some in the Chapter like Ted Harless. This discussion took place approximately three (3) months ago.

Approximately one (1) month ago I received a phone call from Mr. Steve Carnahan telling me that he was relinquishing his duties as Treasurer and turning over all finances to Mr. Ted Harless. I called Mr. Ted Harless and Mr. Steve Carnahan on 3-26-2019 and we discussed the present situation with the Oliver Pollock Chapter. Mr. Carnahan told me the he was mailing out the financial documentation and check book to Mr. Harless on 3-27-2019. After talking to Mr. Carnahan I called Mr. Harless and he told me that once he receives all the finances from Mr. Carnahan, we will set up a meeting with me to discuss the future of the Chapter.

I have been contacted by the State Secretary, informing me that there is the possibility of having three (3) new young members become a part of the Chapter and we discussed that this may be a very good opportunity to revitalize the Chapter.

End of Report

## LASSAR Board of Directors Meeting Eagle Scout Recognition & Scholarship Program Report

April 6, 2019

Since our September meeting, I have responded to 6 requests for letters and certificates of commendation to recognize Eagle Scouts at their Eagle Court of Honor. I took the liberty of including with these requests a brochure to promote the SAR Eagle Scout Recognition & Scholarship Program.

This year we had 2 chapters that submitted applications to compete for the Arthur M. & Berdena King, Eagle Scout Award. Those being the Enemund Mcuillion Chapter and the Pierre Georges Rousseau Chapter. It gives me great pleasure to announce that this year's winner of the LASSAR Eagle Scout Trophy and a check in the amount of \$500.00 is Collin Patrick Turner Jacks. Collin is the son of Tara and Tom Jacks and was sponsored by the Pierre Georges Rousseau Chapter.

Report of the LA SAR Membership  
LA SAR Annual Meeting  
West Monroe, LA  
April 6, 2019

I am pleased to deliver this report to the Board of Directors and members, reflecting 2019 current membership of the state society, as reported to me by our chapter officers and by Jon Toon, national Registrar. Please refer to the separate spread sheet for details and specific numbers reported to me directly from our chapters.

According to the NSSAR Registrar, Jon Toon, the 2018 year's end total membership counts were 37,722 (national) and 649 (Louisiana). The current membership counts are 34,622 (national) and 591 (Louisiana), since the reconciliation report was filed.

There may still be discrepancies between the numbers reported by national and the numbers reported by our chapters to me, but our state Secretary, Tony Vets, has been working diligently since last year to bring the membership rolls into a more accurate accounting. Tony's efforts are greatly appreciated. Please see Tony's report, separate.

Below you will find the numbers for members as reported on our 2018 reconciliation report at national (01 Jan through 31 Dec 2018):

New members 65  
Dropped members 101  
Reinstated 27  
Deaths 18  
Transfers In 3  
Transfers Out 2  
Reinstatement transfer 1

LA Active members 571 (post reconciliation, 31 Dec 2018)

Per Tony Vets' report, our LA SAR current membership is up to 591, with year 2019 yielding 17 new members and 4 reinstatements, so far.

As you can see, we still have too many dropped members. so continued efforts must be made to retain and to reinstate those members who are lost. Personal contact, face-to-face or by telephone is the best option to achieve this goal. Too much is lost by email or texting these days. Reinstatement is a very easy process, once the member has paid his delinquent dues.

Please continue to search for new members to join SAR. Emphasize this importance at your chapter meetings. Look for family members, DAR male relatives, persons in other organizations, etc. There are so many men out there who are eligible for SAR membership. Sometimes, we just have to make them aware and to ask them to join us.

And after they join, mentor the new member and get him involved in the workings of your chapter. These efforts will result in better retention of members, leading them to be less likely to resign or drop.

Thank you, Compatriots. for all you do for SAR.

Respectfully submitted,

Cadet Anna Lee from Pearl River High School JROTC program, sponsored by the Pierre George Rousseau chapter. She is to be awarded a \$500.00 check along with the Silver Medallion and Certificate. Her nomination package will be forwarded to the NSSAR coordinator for entry into the national competition phase.

The Natchitoches Chapter assumed sponsorships of the DeRidder High School and the Attakapas Chapter assumed sponsorship of Berwick and South Beauregard High School JROTC programs for 2019. There are still 3 remaining schools, LaGrange, Napoleonville and Washington Marion Magnet that were previously supported by the Oliver Pollock chapter and are available for sponsorship. .

April 2019

Compatriots,

I am sad to report that only two chapters submitted information for contest year 2018. With this lack of participation it was futile to make any submission for 2018. Let us ALL commit ourselves to do better in 2019.

For the new contest year (2019) Memorial Day will be the next major event that you and your chapter can receive points. Place a flag on a Veterans grave, 1 point each. Attend a Memorial Day service, 5 points per member. A chapter SPONSORING a Memorial Day event (not a regular meeting) gets 50 points plus 5 points per chapter member attending.

Don't forget about visiting a Veteran in the VA, nursing home, or if homebound, their own home. That is 5 points per visit (max of 3 visits per hour). Veteran's funerals or wake service, 5 points plus up to 50 points in mileage. If you think you have points, let me, your chapter president, or your Chapter Veterans Committee Coordinator know. We will sort it out.

Respectfully submitted,

Compatriots,

The LASSAR website is still up and running and I still need your help to make it better.

Our host page has added several new functions, one allowing us to put in a slide show of photos. I still ask that each photo have a short caption that at least identifies those in the photo. Photos bring attention to the page and article.

You can send me a synopsis (100-120 word count) of your chapter activities, along with a suggested headline... "Mayor Speaks at January Meeting (13 Jan 2019)". Of course, if your activity cannot be whittled down to 120 words, write as much as you please.

Photos bring attention to the page and article. Each photo should have the names of those shown (l-r: Bob Smith...). Each photo should have the 100 word description. If your article is longer and you had several activities, send several photos.

I again respectfully ask that you go to our site at [www.lassar.org](http://www.lassar.org) and see our state website. I then ask that you go the Our Chapter link and find your chapter. Open it up and see if this is the way you want YOUR chapter portrayed.

Remember, if you had a meeting or activity, you have a submission.

**THIRD VICE-PRESIDENT'S REPORT: APRIL 6 ANNUAL MEETING WEST MONROE, LA**

In my last report to the Board of Directors, I presented a plan to this board to erect an historical marker in Opelousas, LA. The marker would inform the public and tourists of the fact that the men of the Opelousas Post Militia of 1779 joined up with Bernardo de Galvez at San Gabriel in September of that year to attack the British at Baton Rouge.

The paperwork is complete pending the approval of the Opelousas City Council as to where the marker would be located. They have placed this request on their business agenda for the 2<sup>nd</sup> Tuesday in April (this coming 9<sup>th</sup> of April). Everything appears to be on track.

## Proposed Bylaw Changes

April 6, 2019

### Article II, Membership Section 3.

| Current Wording   | Revision  | New Wording  |
|---|---|--|
| <p>Application for membership through a chapter of the Society shall be submitted to the Secretary of that chapter who will, after approval by the chapter, forward the application, together with all necessary fees, to the Secretary of the Society. Application for membership without chapter affiliation shall be submitted, with all necessary fees, to the Secretary of the Society. After approval by the Society Membership Committee, the Secretary shall transmit the application to the Registrar who shall, after examination of the application as to form and sufficiency of supporting data, sign and return the application to the Secretary. The Secretary shall transmit the application, together with such fees as are required, to the Registrar General. Upon notification of admission to membership by the Registrar General, the Secretary shall notify the Chapter Secretary or, in the case of application for membership without chapter affiliation, the applicant shall be notified of his admission to membership.</p> | <p>Change the initial submission of applications from the Secretary to the Registrar.</p> | <p>Application for membership through a chapter of the Society shall be submitted by the member's sponsor who will, after approval by the chapter, forward the application, together with all necessary fees, to the Registrar of the Society. Application for membership without chapter affiliation shall be submitted, with all necessary fees, to the Registrar of the Society. After approval by the Society Membership Committee, the Committee shall transmit the application the Registrar who shall, after examination of the application as to form and sufficiency of supporting data, sign and forward the application to the Secretary. The Secretary shall transmit the application, together with such fees as are required, to the Registrar General. Upon notification of admission to membership by the Registrar General, the Secretary shall notify the Chapter Secretary or, in the case of application for membership without chapter affiliation, the applicant shall be notified of his admission to membership.</p> |

Rationale: Prior to 2008 there was apparently a problem of receiving and tracking applications and a decision was made that all movement of applications would have to be tracked through the secretary. Shortly prior to April 2008 it was determined that the registrar would receive all applications "in the name of the secretary" and receive separate checks for LASSAR and NSSAR. All applications since that time have been forwarded by the chapters to the registrar of the society. There has not been any indication that any applications have been misplaced since that time.

**Article II, Section 4**

| Current Wording   | Revision  | New Wording   |
|---|---|---|
| <p>The fees which shall accompany the application when it is transmitted to the <b>Secretary</b> shall be the National Society Admission Fee, the Louisiana Society Admission Fee, the first year Louisiana Society membership dues, the fee for the engrossed Membership Certificate, where applicable, and the fee for the lapel rosette. Those fees enumerated in this section which are fixed by the National Society shall be as prescribed by the National Society and are incorporated herein by reference. The exemptions from payment of the National Society Admission Fee, as provided for in the By-Laws of the National Society, are incorporated herein by reference.</p> | <ol style="list-style-type: none"> <li>1. Transmit the application to the Registrar instead of the Secretary.</li> <li>2. Delete "the fee for the engrossed Membership Certificate, where applicable, and the fee for the lapel rosette."</li> <li>3. Add: "and first year National dues".</li> </ol> | <p>The fees which shall accompany the application when it is transmitted to the <b>Registrar</b> shall be the National Society Admission Fee and first year National dues, the Louisiana Society Admission Fee, the first year Louisiana Society membership dues. Those fees enumerated in this section which are fixed by the National Society shall be as prescribed by the National Society and are incorporated herein by reference. The exemptions from payment of the National Society Admission Fee, as provided for in the By-Laws of the National Society, are incorporated herein by reference.</p> |

Rationale:

1) Correct the transmittal of new applications to the Registrar instead of the Secretary listed in Article II, Membership Section 3.

2) The fee for the engrossed Membership Certificate is included in the national application fees and does not need to be spelled out. The state has not charged nor has provided the rosette for at least the last ten years; therefore, the mention of the fee should be deleted. The LASSAR

application fees since at least 2008 have been \$19 that includes \$12 annual dues and \$7 for postage and other costs.

3) Make the wording for National like the wording for Louisiana Society.

**Article VIII Committees, Section 3:**

| Current Wording  | Revision                                       | New Wording |
|--|--|-------------|
| There shall be a Membership Committee composed of three (3) members, including a chairman appointed by the President. It shall be the duty of the Membership Committee to review applications for At-Large membership. | Need to have an assigned Membership Committee. | No change   |

Rationale: The membership committee has not existed for several years.

**Article IV, Duties of Officers, Section 6, The Secretary shall:**

| Current Wording   | Revision  | New Wording   |
|---|---|---|
| <p>d) act as a clearinghouse for the receipt/transmittal of applications for membership, applications for reinstatement, supplemental lineage applications, transfers of membership, membership certificates, application fees, State and National dues and memoranda from the Staff Genealogist between Chapters, sponsors or new members, individual members, the Registrar, Secretary and Treasurer of the Society and National Society;</p> | <p>1) Eliminate the requirement that the Secretary shall act as a clearinghouse for the receipt/transmittal of any information concerning applications be routed through and disseminated by the Secretary.</p> | <p>d) receive, following proper approvals, applications for membership, applications for reinstatement, supplemental lineage applications, transfers of membership, membership certificates, National application fees and associated dues, between the Registrar, and Treasurer of the Society and the National Society;</p> |

**Rationale:**

- 1) Over the last ten years a lot of correspondence has been occurring between various individuals in the processing of applications and supplemental applications without being transmitted to or through the Secretary.
- 2) State application fees and dues have been sent by the State Registrar directly to the State Treasurer since at least April 2008.

**Article IV, Duties of Officers, Section 6, The Secretary shall:**

| Current Wording  | Revision  | New Wording  |
|--|---|--|
| g) maintain the files of the Society including, but not limited to, records of all proofs upon which membership shall have been granted, membership lists, all LASSAR properties and a Handbook of the National Society; | 1) Delete: records of all proofs upon which membership shall have been granted<br>2) Delete: and a Handbook of the National Society | g) maintain the files of the Society including, but not limited to, membership lists, application record copies, and all LASSAR properties |

Rationale: 1) Proofs of membership applications have historically been stored and microfilmed at the state archives. Proof documents of members applications are now available from National as are record copies of applications minimizing the need for the Society to maintain proof documents. Access to the records at the state archives is limited to Society officers. There has been almost no access to the existing records of the society stored at the archives.

2) The Handbook of the National Society is available on the SAR website to members of the Society and there is no need to maintain a hard copy.

**Article IV, Duties of Officers, Section 6, Section 11.**

| Current Wording   | Revision   | New Wording  |
|---|--|--|
| The Registrar shall, upon receipt of an application for membership, investigate the proofs of eligibility and, if they are not satisfactory, require additional proofs from the applicant. Upon verification of the applicant's claim of eligibility, the Registrar shall affix his signature and transmit the application to the Secretary. He shall perform such other duties as may be assigned to him by the Society of the Board of Directors. | Delete: to the Secretary.<br>Add: <u>with the national fees to the Secretary and transmit the state fees to the Treasurer.</u> | The Registrar shall, upon receipt of an application for membership, investigate the proofs of eligibility and, if they are not satisfactory, require additional proofs from the applicant. Upon verification of the applicant's claim of eligibility, the Registrar shall affix his signature and transmit the application <u>with the national fees to the Secretary and transmit the state fees to the Treasurer.</u> He shall perform such other duties as may be assigned to him by the Society of the Board of Directors. |

Rationale: Correct the bylaws to the system of handling applications and fees that has been in effect since at least 2008.

**Junior Membership.**

| Current Wording  | Revision   | New Wording |
|--|--|-------------|
| Not included in current by-laws; however, previously approved. | There is no mention of Junior Membership and the waiver of Society dues that was previously approved including waiver of annual LASSAR dues.<br><b>Junior:</b> A member under age 18 who pays annual dues at a reduced rate. (Prior to 2010) |             |

Rationale: The acceptance of Junior members and the waiver of fees was approved by the membership and inadvertently omitted from the by-laws of the Society. Waiver of Society dues and application fees has been in effect for many years.
