## Our Speaker for the January 9<sup>th</sup> Meeting: Eddie Vaughn!

### *“The Noble Train of Artillery”*

Here comes another powerful story of the American Revolution from our venerable Chapter Historian and “Bell-Ringer Extraordinaire”, Eddie Vaughn!

Figure 1 "The Noble Train of Artillery" painting by American artist Tom Lovell, courtesy of Heritage Auctions

Eddie is going to tell the story of how Henry Knox accomplished one of the greatest logistical feats in American military history, resulting in the first strategic victory for the Continental Army in its War for Independence. Knox's Noble Train became deservedly famous given its instrumental role in ending the British occupation of Boston and giving Washington his first victory of the war.

## Board of Directors Induction performed by State President

### Bledsoe Hands the Gavel to President Jim Moffatt

Attendees of the December 15<sup>th</sup> meeting witnessed the swearing-in of the new Board of Directors for 2026 at Drusilla's Restaurant. State President Billy LeJeune drove from DeRidder that morning just to attend our annual Christmas and Awards Meeting. His main purpose, though, was to perform the induction of new officers and Board of Directors for the General Philemon Thomas Chapter for 2026. Sorry, we do not have a group photo of the new Board. The room was so full, there was no room for a group photo! The members of the new Board are listed on page 2 at top. Before the general induction, the Presidential transition took place. Past President Paul Bledsoe placed the President's Sash/Medal around the neck of new President Jim Moffatt. Moffatt, a very active SAR member since 2023, retired from Emergency Medical Services of EBR Parish and immediately began his involvement with the GPT chapter. Bledsoe also handed Jim the Presidential Gavel and a copy of Robert's Rules of Order, 10<sup>th</sup> edition, stating he hoped Moffatt would follow those rules better than he did!

## December Meeting Featured Two New Members, Four Supplemental Certificates, & Many Special Awards

Attendees were introduced to two new GPTSAR Compatriots: **Boatner Howell** and **Maury Bishop**. Their certificates had still not arrived by meeting time, so swearing-in and photos will be posted later. Supplemental Certificates were presented to **Paul Bergeron** for his Patriot, Antonio Y'Barbo, **Bill Taylor** for his Patriot, Jose Vasquez Vahamonde (we recently marked his grave with a new gravestone as well – featured in the Nov. 2025 *Red Stick*), **Dr. Derrick Spell** for his Patriot George Milliman, and **Mitch Pratt** for his Patriot John Jacob Pee. Paul Bergeron noted that he can prepare a presentation of Antonio Gil Y'Barbo for a future business meeting! Dr. Spell said the same for his Patriot, George Milliman and some notable descendants.

Presented by Dr. Spell with the 2025 Veteran Medal were **Brian Bordelon** and **Jason Creech**. State President LeJeune presented LASSAR Certificates of Patriotism to **Stephen Estopinal**, **Scott Jones**, and **Bill Taylor**. LASSAR Certificates of Patriotism will be presented, by President Moffatt at another time, when present, to: **Ken Higginbotham** and **Greg Lindsly**.

Chapter Distinguished Service Medal: **Steve Kubicek**, 3<sup>rd</sup> Vice President. The role of State Secretary added to Steve's SAR duties at mid-year, but he still managed to continue to participate in most chapter meetings and events, especially Tea Tasting planning and Emcee duties, and development of the Charters of Freedom project to be dedicated on July 8, 2026, at the national Reading of the Declaration of Independence.

Photos of the above awards are on the next seven (7) pages. [Editor's note: I removed or blotted out as many images of yours truly as I had time to do! Ha!]

## Two Awarded the Henry Knox Medal

Treasurer **Norm Bacon** earned a Henry Knox Medal for 2025. He Norm was Committee Chairman for the Annual Constitution Week Banquet.

**Eddie Vaughn**, our Historian also earned the Henry Knox Medal. His effort this year always delighted – not just volunteering to speak at events but obtaining and wearing venerable citizen clothing with a hat and shoes that would make Thomas Paine proud.

## 2025 Meritorious Service Medals Awarded

**Chris Achee** was awarded the Meritorious Service Award for his frequent service to the chapter and the community. Chris was not able to attend the meeting and will be presented with his medal at another time. Chris is one of the “poster boys” on our new recruiting flyer that is in the works!

**Dr. Derrick Spell** was awarded the Meritorious Service Medal for the immeasurable volume of hard work and participation in all-that-is-GPTSAR.

## 2025 Distinguished Service Medal Awarded to Steve Kubicek

Steve Kubicek was President in 2024, and he was busy all year. 2025 was no different! Steve helped incoming President, Paul Bledsoe, to assure a smooth transition and assisted Paul in every way he could. As mid-year approached and planning was at full gear for our amazing September events, Steve became LASSAR Secretary, probably the most difficult job at the state level. But Steve continued to participate, to plan, to lead, to make a difference in the quality of our chapter events and in the community. That included America 250 Louisiana Board activities, meetings with state officials about the Chapters of Freedom Project, projects to enhance our Youth Outreach, Color Guard duty, the Fall LASSAR Board Meeting plans, and so many other things. He was awarded the Grave Marking Medal at the December meeting – a feat that requires considerable work and time. Steve deserves our thanks and recognition for his efforts. Thank you, Compatriot Steve Kubicek!

## SELU Museum Exhibit “The 14<sup>th</sup> Colony”, sponsored by Louisiana America 250

In-coming President **Jim Moffatt** visited the exhibit at the Center for Southeast Louisiana Studies at SELU in Hammond on November 11<sup>th</sup> and sent several photos. One caught my eye – a model of what the first element of the Spanish fort named Fort San Carlos may have looked like sometime after 1800. It follows the drawing that was made of the Baton Rouge area depicted in the 1826 book “Voyage dans l’Amérique Septentrionale” by Georges-Henri-Victor Collot. The description card is a bit vague about the fact that the “fort” the British built just prior to Galvez’ victory in 1799 was merely earthen works and not stone and brick, which had to be imported, and the British soldiers had no time to wait for such deliveries. The blurry card says: “Fort San Carlos – Originally the site of Fort New Richmond, a British fortification captured by Bernardo de Galvez in his Gulf Coast campaign, the construction of Fort San Carlos was ordered on the same site to increase defenses to a vital West Florida location, Baton Rouge.” – P. Bledsoe

## *Wreaths Across America* Events in Baton Rouge Region

Several members of GPTSAR visited and participated in wreath laying ceremonies on Saturday, December 13<sup>th</sup>. Many paired with their spouses to contribute their time. Bob and Zora Olsson (Past DAR National VP General & currently BR Chapter Registrar) spent their time at Louisiana National Cemeteries at Port Hudson and sent some photos. There was a large crowd who gathered for the laying work and to listen to the speeches. The event at Baton Rouge National Cemetery, hosted by the Blue Star Mothers, was very large, and regal according to Jeff Bruan, who attended with his wife, Natalie, a Blue Star mom. The [Blue Star Mothers BR Chapter Facebook](#) page contains more than 150 truly amazing photos of this event!

## John James Audobon Chapter of DAR Hosted WAA Ceremony at State Capitol

The State Capitol Rotunda was the scene for a small ceremony honoring veterans who gave the ultimate sacrifice on Monday, December 8, 2025. Compatriots Neil Hohmann and Greg Lindsly participated. The event was hosted by the John James Audobon Chapter of DAR of which Denise Lindsly is a member. Similar ceremonies were held in nearly every state capitol in the United States on the same day, in honor of all branches of the military.
