

## Chapter Honors Member Dick Hallenus (2017)

Members of the George Washington Chapter of New Orleans participated in a special ceremony honoring one of their own recently. At 96 years young, Richard "Dick" Hallenus is still an active member of the George Washington Chapter. Chapter members traveled to the Assisted Living Facility where Compatriot Hallenus lives with his wife of 75-years, Dottie. There they presented him with the Distinguished Service Medal for his services to the Chapter and his fellow veterans. Dick is a WWII veteran who joined the chapter in 1959. In preparing to award him his Distinguished Service Medal, it came to light that he'd never been awarded a War Service Medal. It was, therefore, a signal honor for Chapter President Bradley Hayes, himself a veteran of Iraq and Afghanistan, to present Compatriot Hallenus with the War Service Medal for his service in WWII (60+ years after the fact). Along with the Distinguished Service Medal and the War Service Medal, the Chapter also presented him with his 55-year Service Pin. We look forward to presenting him his 60-year service pin for his 100th birthday present. Those present from the Chapter were President Bradley Hayes, First Vice-President Jim Schneider, Color Sergeant Scott Centorino, and Compatriots Tony Riddle and Dick Hallenus. Also in attendance were Compatriot Hayes's wife and children, and Compatriot Hallenus's wife.
